

21st Medical Image Understanding and Analysis Conference

11 - 13 July 2017
John McIntyre Centre
Pollock Halls
Edinburgh

Call for papers opens 1st October 2016

For its 21st anniversary, the Medical Image Understanding and Analysis Conference – MIUA 2017 – is returning to Scotland, with its first visit to Edinburgh, Scotland’s vibrant capital city.

Call for papers opens in October 2016, with submissions showing the application of computational image analysis methods to clinical research and practice especially welcome.

There will be an opportunity to present and show medical image analysis software, network, and in the evening socialise and experience the delights of a genuine Scottish ceildh!

For more information and to book go to:
